

How to get the grade you want:

- A** Clearly understand the ideas, and almost always get the answer.
- B** Understand the main ideas, and usually get the answer.
- C** Understand some of the main ideas, and often get the answer.
- D** Vaguely understand some of the main ideas, and sometimes get the answer.
- F** None of the above.

How I tell:

15% Class participation

15% Homework

30% Midterm exam

40% Final exam

Late homework will be accepted *for half-credit* up until the due date of the following assignment.

I will give you a make-up exam only if I judge your absence to be due to good cause. Where appropriate, I will expect documentation. Make-up exams may be oral exams. If you know in advance that you must miss an exam, please let me know in advance.

¹These are the policies specific to this course. For general university policies on topics including academic integrity and per-credit workload, please visit <https://www.umassd.edu/provost/resourcesforfaculty/syllabus-language/>
Note: Presenting text, including solutions to math problems, generated by an AI tool as your own work *is* a violation of the policy on academic integrity.
